Cycle Ride

Sunday 30th June 10am - 12:30pm

For our May Led Ride we borrowed five Bike Library bikes and cycled a leisurely 11 miles. Our route - here - took us to the Sighthill Stone Circle and rusty bridge, Pinkston, the Stockingfield Bridge (and Bella!), we then followed the River Kelvin back to the Club, with a coffee stop mid-point at Gathering Ground.

This month's ride on **Sunday 30th June** will be a similar distance, around 10 miles, but in a different direction. Route still the but will continue to build a picture of how the city fits together when you're on a bike.

This is an opportunity to enjoy the local area, on a bicycle, with like-minded people.

Bring your own bike or you are welcome to borrow one from our new Bike Library. Limited places.

Thank you to all the members who participated in our Cycling Scotland funded Adult Cycle Sessions. Our allocation is now used up. We hope to have another tranche soon.

Book and/or reserve a bike here (free)
