

Arlington Update

January 2025

Pool Closure

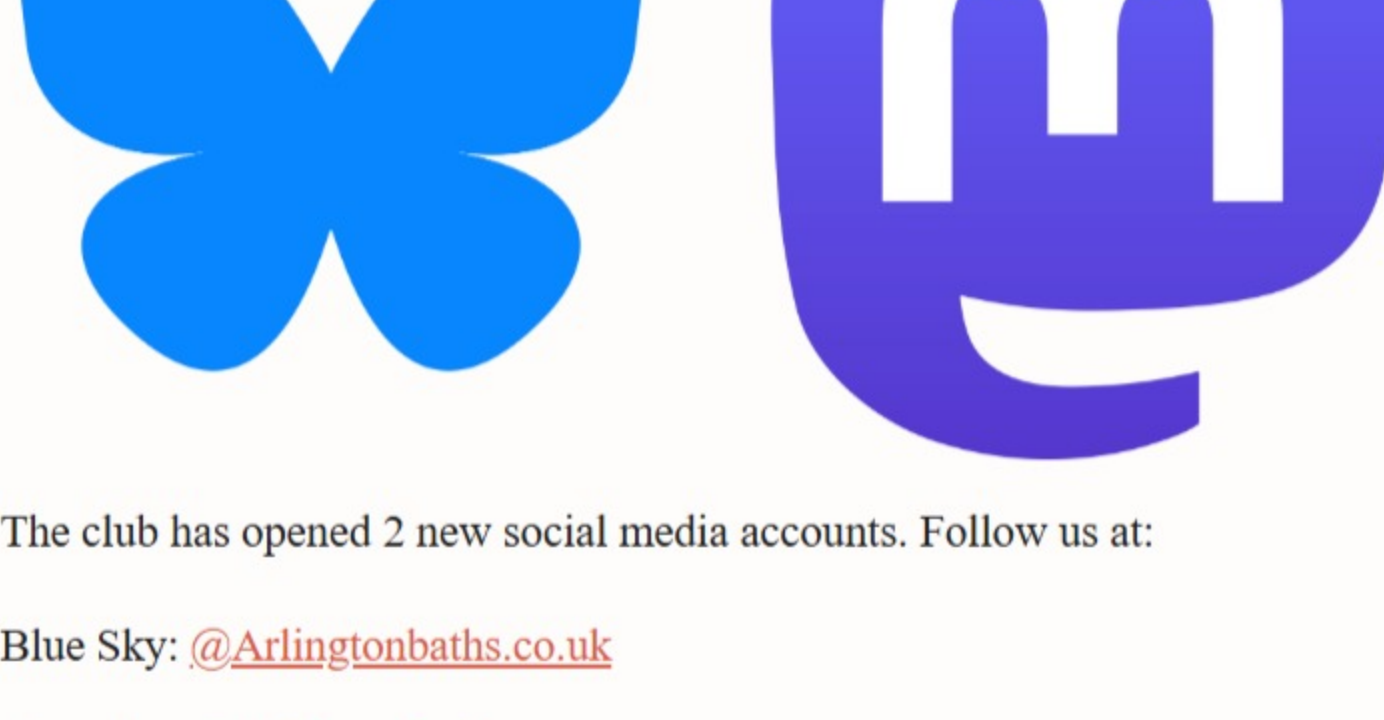

Members are reminded that the pool and adjacent facilities, including the poolside sauna, steam room, junior baths, and senior baths will be temporarily closed from 6:30am on Tuesday 14th January until 6:00pm on Wednesday 15th January.

The gymnasium, upstairs changing area, Turkish suite & upper showers will be unaffected during this time.

The Club is busier than it has ever been and members are reminded to be considerate of others when using the facilities:

- Ensure showers are turned off when not in use
- Keep seats free by using the towel racks and shelves
- Keep outdoor shoes in the Slipper Room
- Do not put wet costumes on the seats in the Cool Room
- Swim in the middle of the pool lanes, NOT up one line and down another
- Deposit towels and sheets in the changing room bins or down the laundry chute
